

Advent Candle – Week 1

The word “Advent” means “coming or arrival” and the celebration of Advent dates back hundreds of years. We celebrate Advent to remember the significance of the Christmas season as it pertains to the hope we have in Jesus Christ. Each part of the advent wreath has meaning.

The first candle in the Advent Wreath is called the prophecy candle. It reminds us that Jesus’ coming was prophesied hundreds of years before he was born. The candle’s purple color represents Christ’s royalty as the King of Kings.
