

Good Choices Result In Many Blessings

Review it: Looking back at your notes from this week's teaching was there anything that particularly caught your attention, challenged or confused you?

Discuss it:

- 1.** What does it mean to be blessed by God?
- 2.** Are God's blessings sure?
-Matthew 6:19-21
- 3.** What things should we refrain from doing and what should we do in order to obtain blessings?
-Psalm 1:1-2
- 4.** What benefits does a tree planted by water receive? What does this metaphor represent? According to this figure of speech, will obedient believers always bear fruit? What do you think "leaves never withering," and the "tree always prospering," means?
-Psalm 1:3
- 5.** Do you believe you will be blessed if you obey God this week? How in the short term, long term, eternally? Which is more motivating to you?
- 6.** Are good intentions good enough? Is there any unfinished business that you could complete this week? When and how could you pull that off?
-2 Corinthians 8:10-12
- 7.** Paul commended the Macedonians for taking initiative without prodding. From where did Titus get his initiative? Is there any gift, prayer, service, act of kindness, peace making, or word of encouragement you could give this week?
-2 Corinthians 8:3
-2 Corinthians 8:16-17
- 8.** What do the terms, "strict training," and "disciplining my body," mean to you spiritually? How are you, or might you apply this analogy to your spiritual life?
-1 Corinthians 9:24-27
- 9.** What Biblical principle will you choose to put into practice this week?
